

BWNYJSL and BWNYSRU Referee Agreement 2017-2020

Payment for Services

The fee schedule for all League and Cup games during the duration of this agreement is listed in Attachment A.

Referees will be entitled to claim a Travel Fee of \$12 for each match located at a distance of 20 miles or more from the referee's residence.

Game fees will not be paid where a match is cancelled prior to the departure of the referee from their residence or work location to travel to the match.

Game Reporting

The center referee will complete and file a game report for all League matches via an on-line form created by BWNYJSL and accessible to referees via the BWNYJSL web site. All reports are due within 24 hours of the completion of the match. Reports for Cup matches will be submitted on-site to the Site Assigner and Cup Administrator. Reports will be the basis for determining payment of fees.

Payments for League and Cup services will be made three times per season. To the extent possible, all payments will be made via Arbiter/Ref Pay, via a process to be established by the Lead Assigner, BWNYJSL Treasurer, and a representative of the BWNYSRU. If direct payments are not possible, payment will be made via checks.

Assignment of Referees

BWNYJSL will contract with a Lead Assigner, who will handle all aspects of League and Cup assignments.

Mentor Program

BWNYJSL will also make \$10,000 available annually for a structured Mentor Program. The Referee Unit will submit an annual proposal for the use of said funds during each season. The proposal will be subject to annual concurrence by the BWNYJSL Board prior to the release of said funds, and will address the utilization of said funds in the development of new referees (center and ARs), the selection criteria for mentors, communication between mentors, etc.
